Dear Mrs. Manley:

Pardon my delay in answering, and am enclosing several copies of the schedule which will take care of the confirmation that you want on the dates.

You will note several differences with what you wrote me. May 16 is as you wrote, and May 17, likewise. June 5 should read, June 6. I agree with you in reference to June 14. June 25 O.K., and add in July 5 Phila. at Newark. You will also note that Thursday, June 18 is included on this schedule.

What about the possible trade we discussed? Also are you going to drop any players that we might be able to use? Are you contemplating a trade for Hill? If so, maybe there is something we can do on that.

Awaiting your reply, and wishing you the best of luck, I am

Sincerely,

Ed. Gottlieb
